Henry's Hangar

By Henry Hartman

We Barnstormers have lost another member, as Floyd Armstrong passed away early on Tuesday, May 6, shortly after our May meeting Monday evening. There was a very beautiful Memorial Service held for Floyd on Saturday May 10th and at least 20 Barnstormers attended.

With Floyd's passing comes the realization of how many helpers it will take to fill his shoes at our upcoming breakfast events. I ask each of you to come to the airport and give a hand, for however much time you can enjoy. We really do have a fun time, and meeting so many wonderful people that make the breakfasts successful is a great extra that comes with helping. There are many different tasks to be done and we can't do it without YOU! We have such a talented group and we want to give everyone a chance to display their abilities in whatever way you can.

We have our June 7 & 8 breakfasts at Gettysburg Regional Airport (8 to noon), and then the following weekend (Father's Day weekend) we are serving breakfast at York Airport (THV) from 8 am to 10 am. So please make plans to help at one of both of these events. Remember, the proceeds allow us to send interested

youngsters to the Air Academy each year via the "James Sheen Youth Aviation Scholarship Fund".

The Air Race Classic, an all ladies cross-country air race will be ending in our area in June. A number of your fellow Barnstormers have signed up to help at Capital City Airport, and we can always use more volunteers. Please attend the June 2nd regular meeting to learn more.

Our member Marlin Hottle will be presenting the program at our June meeting, be sure to come out and learn about his experiences.

YARD SALE!

YARD SALE!

As you know, our member Floyd Armstrong passed away recently. Floyd's wife, Donna, is now discovering a number of things that Floyd had stored away over the years and not made her aware of. So Donna would like to have a Yard Sale on the weekend of our June 7-8 breakfast. Conveniently, Floyd had a storage building adjacent to the airport.

Donna needs to clean out the storage space to end the monthly rental costs. Please understand that several Barnstormers are assisting her with placing fair values on the items and we don't want people to take advantage of her in this tragic time. Fair and reasonable prices will be asked for the goods and we do not want people to try to negotiate in less than a serious manner.

***Pancakes and
a Yard Sale—
June 7 and 8.***

Among the things found so far are fuselages and other parts for a pair of CGS Hawk aircraft, a fuselage and other parts for a Legal Eagle ultralight, and a possible Baby Ace fuselage and related parts. There are several 4-cylinder 'military-standard' engines along with a huge number of Volkswagen crankcases, cylinders, cylinder heads, and other VW engine parts and accessories. Add to this list a number of wood and metal-working tools, assorted hardware, and many other items.

Between now and the breakfast, there will be a better inventory taken and hopefully more accurate information will be available about many of the items mentioned above. Stay tuned for more news, this subject will be on the agenda of the June 2nd meeting.
